

Voilà

The digital live that matters.

Voilà is the live event platform dedicated to hybrid and digital events. Our mission is to make live digital events an experience in their own right.

An end-to-end solution not only for your conferences, seminars, meetings but also for product launches and demonstrations and much more.

Voilà, our difference

Outstanding quality

Optimised immersion through video quality

- Scalable adaptive video in full HD with low latency
- Evolutivity of all interaction features up to 100 000 participants
